Dementia Cafe at Epping Library

March marked the launch of our very first Dementia Friendly Café, held at Epping Library. The café was created to provide a relaxed and welcoming space where people can come together, meet others, make connections, and build meaningful friendships.

Our first session truly achieved this. Everyone had a wonderful time, and we were delighted to be joined by Epping Town Mayor Janet Whitehouse, along with Cherry McCredie, who both spent time chatting with attendees and contributing to the warm, friendly atmosphere.

Dementia care doesn't stop at Weald Hall - it extends into the wider community, supporting people and bringing them together. Our café takes place at Epping Library on the first Thursday of every month from 11am to 12pm, with the next session scheduled for 2nd April.

Mother's Day

We had a wonderful time celebrating Mothering Sunday with all the amazing ladies in our home. With a love of Mamma Mia, we enjoyed ABBA-themed live entertainment and a lovely afternoon tea.

Families joined us for singing and dancing, while staff dressed up to bring the theme to life—something the residents really enjoyed. It was a fantastic day, enjoyed by all.

We have lots more planned at Weald Hall, so please look out for upcoming events and dates.

'Time for a Cuppa'

We had an amazing time at Chelmsford City Racecourse, attending in support of Dementia UK and Essex Dementia Care for an afternoon tea event. We were joined by our sister home, Old Shenfield, and enjoyed a fantastic afternoon together.

There were plenty of delicious cakes and refreshments, along with games and the opportunity to meet the Essex Therapy Dogs, who were a big hit with everyone. We are now in the process of arranging for the therapy dogs to visit our home in the future.

A wonderful time was had by all.
