Cruising into Summer Together

We enjoyed a beautiful summer's day out as our residents took to the water for a relaxing cruise along the picturesque River Lee. Blessed with glorious sunshine, everyone enjoyed taking in the peaceful scenery, spotting local wildlife and spending quality time together.

Following the cruise, we enjoyed a lovely picnic, where we had delicious food, laughter and great conversation. The outing was a wonderful opportunity to enjoy the outdoors, strengthen friendships and create more special memories together. It was a truly enjoyable day that left everyone looking forward to the next adventure.

Weald Hall Returns to Thornwood Village Market

We were delighted to return to Thornwood Village Market in July for our second market stall, and what a wonderful day it was! Our residents loved catching up with familiar faces, building new friendships and being part of such a welcoming community. We have loved selling our homemade Weald Hall jams, lovingly made by our residents, who take great pride in sharing them with the local community.

We have our stall every other month and can't wait to be back on the first Saturday in September. We hope you'll come along and say hello – we'd love to see you!

Premium Care Group Proudly Supports Epping Town Show

We were proud to once again be sponsors of the Epping Town Show, and what a fantastic day it was! Our residents had a wonderful time enjoying everything the show had to offer, from exploring the stalls to even experiencing some of the fair rides, bringing back many happy memories.

It was lovely to see so many familiar faces from our local community stopping by our stall to say hello, as well as meeting lots of new people throughout the day. Our residents thoroughly enjoyed being part of such a fantastic community event, and we are incredibly grateful to everyone who came to support us and helped make the day so special.
