Remembrance Sunday!

On Remembrance Sunday, we took time to reflect and honour those who gave their lives for ours. We reminisced together, sharing memories and speaking about the good times that followed — celebrating, singing, and dancing, just as they would have done all those years ago.

We enjoyed live music and listened to many favourite songs we know and love. Each one sparked memories, leading to conversations about the people and moments they reminded us of.

We're happy to say it was a wonderful afternoon, enjoyed by all.

Many hands make light work!

Our reception area has had a fresh lick of paint and a brand-new look! The saying rings true - many hands make light work - and our Alex absolutely loved getting involved. Always the first to offer help around the home, Alex jumped right in with enthusiasm. As usual, with everyone pitching in, the job was finished in no time... and Alex made sure to give us plenty of tips along the way, including what we were "doing wrong"!

We hope you love the new look as much as we do - we think you'll agree it looks amazing!
