No January Blues at Weald Hall

We have been keeping those January blues away here at Weald Hall, and introduced some new activities, which have been a great success.

We have started Fish and Chip Friday as a delicious treat from Peggotty's in Epping - You cant beat their fish & chips!

Weald Hall Bakery

We love to keep busy in our bakery and have some brilliant bakers within our home - The added bonus is we get to eat lots of cake!

Januarys animal therapy session brought us 5 beautiful budgies that brought us all a smile.

This month we have continued connecting with our local community, and have been to Shooters Football Club for the monthly Day Doo, where you can enjoy an afternoon of live entertainment, win some great prizes on the raffle and play some bingo!
