A Special D-Day Celebration with St Andrew's School

We were delighted to welcome pupils from St Andrew's School to our home for a special D-Day celebration alongside our residents. The day was filled with smiles, laughter, and shared memories as residents and children came together to mark this important occasion. Everyone enjoyed a range of activities, exchanging stories and spending quality time with one another. It was wonderful to see the connections formed between generations and the happiness these interactions brought. A heartfelt thank you to St Andrew's School for helping to make the day so memorable. We look forward to welcoming them back again soon.

Spreading Kindness in Our Community During Care Home Open Week

As part of Care Home Open Week, our residents and team enjoyed a lovely trip to Epping High Street to spread a little kindness and happiness within our local community. We handed out flowers as a small gesture of appreciation, bringing smiles to the faces of those we met along the way. It was a wonderful opportunity to connect with people, share some joy, and show that even the smallest acts of kindness can make a big difference. Our residents loved being part of such a positive experience and enjoyed seeing the happiness their thoughtful gesture created.

A beautiful day filled with smiles, kindness, and community spirit!

A Magical Father's Day Celebration

We enjoyed a wonderful Father's Day celebration here at our home, spending a lovely morning together filled with laughter, amazement, and plenty of smiles. Our residents were treated to a fantastic live close-up magic performance from Brian, who amazed everyone with his incredible tricks and talents. Everyone was completely blown away and had a fantastic time watching the magic unfold right in front of them.

It was a truly special morning, bringing everyone together to celebrate, enjoy each other's company, and create some wonderful memories. A big thank you to Brian for making our Father's Day celebration so magical!
