

Weald Hall Care Home Monthly Newsletter

Weald Hall Lane, Thornwood, Epping, Essex, CM16 6ND

Our boutique luxury home delivering individual care for our residents

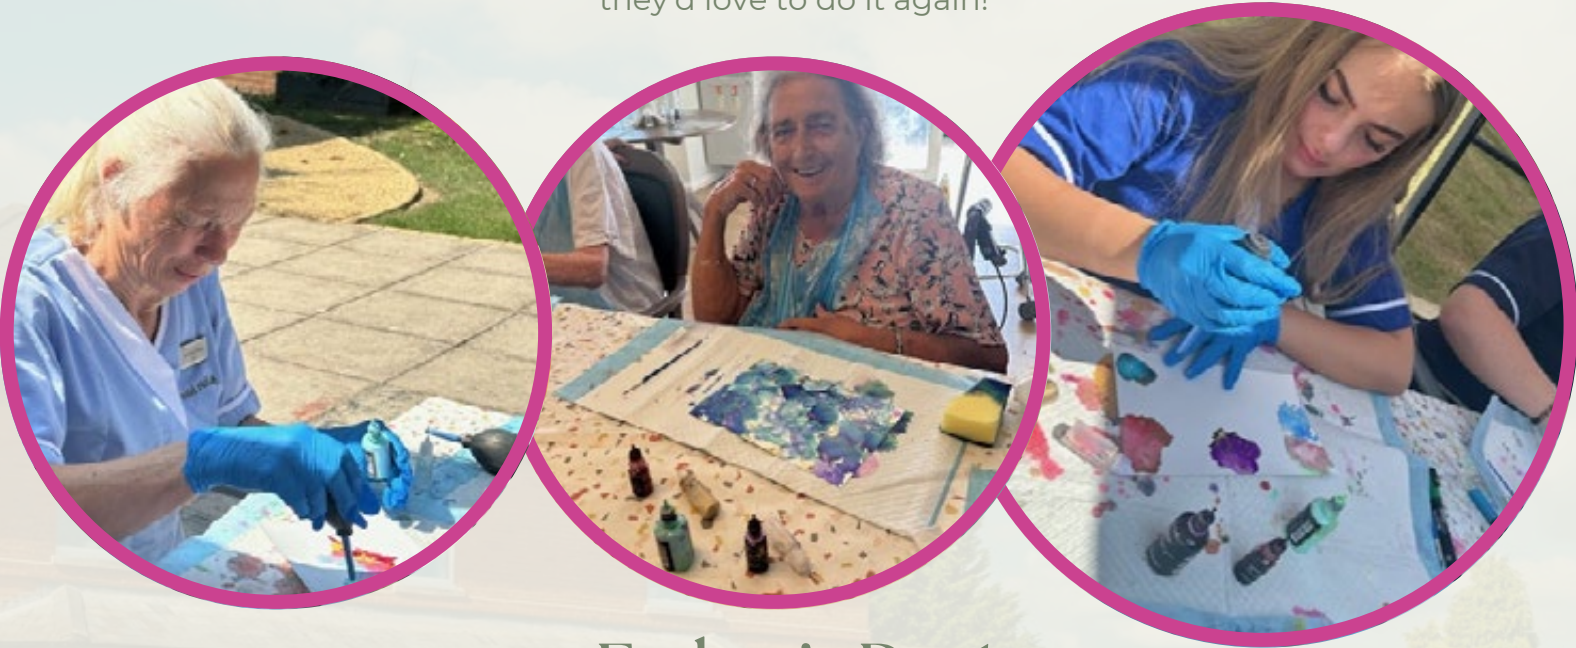

Here Comes The Sun

What wonderful weather June has brought us! We have been making the most of it, and have enjoyed getting out in the garden and soaking up the glorious sun. We feel so lucky at Weald Hall to be blessed with such beautiful grounds, and have been making great use of our pub and our tea room! A great addition to this month has been our wonderful new garden furniture, so we have plenty of seating and shade for all to enjoy the great outdoors.

Care Home Open Week

From June 16th to 22nd, we celebrated Care Home Open Week - and what a fantastic week it was at Weald Hall! We made the most of the occasion by showcasing the wide variety of meaningful and engaging activities that happen every day in our home. Throughout the week, we hosted a full schedule of dementia-friendly workshops designed to cater to all interests and abilities. Some activities were familiar favourites, while others offered exciting new experiences for us to explore. A highlight of the week was our dementia-friendly football session, back by popular demand after last month's success. We also enjoyed a lively quiz night, a relaxing coffee morning, pampering sessions, and much more. One of the most memorable moments was our Ink Art Workshop, where residents and staff alike created beautiful pieces of art. The workshop was such a hit that everyone agreed - they'd love to do it again!

Father's Day!

This Father's Day, we dedicated the day to making all the wonderful men in our home feel truly special. We were treated to an incredible performance by Brian, whose close-up magic amazed everyone and added a real sense of wonder to the day.

To top it off, we enjoyed a delicious brunch featuring antipasti and all the favourites we know our residents love. The celebration was made even more meaningful by the many family members who joined us to share in the day. It was heartwarming to see so many smiles - and we're happy to say that a great time was had by all!
