Weald Hall Lane, Thornwood, Epping, Essex, CM16 6ND

Our boutique luxury home delivering individual care for our residents

Spring Fair Success!

Our recent Spring Fair was a fantastic success, enjoyed by residents, families, and visitors alike. Blessed with beautiful sunny weather, everyone had a wonderful day meeting the visiting farm animals, including meerkats, lambs, a lovely Chihuahua, and a variety of birds.

Guests also enjoyed a delicious BBQ, live entertainment, a raffle, and a tombola, helping us raise an incredible £581.50 for our Residents' Fund. The funds raised will go towards future outings and activities chosen by our residents.

A huge thank you to everyone who attended and supported the event. Special thanks go to Wagamama, Harlow Playhouse, Andy Whippy, and all our amazing families for their generous donations and support in making the day so memorable.

Enjoying the sunshine in our garden

Our residents have been making the most of the recent sunny weather by spending lots of enjoyable time in our garden. From relaxing outdoors with friends to getting hands-on in our vegetable patch, it has been wonderful to see everyone enjoying the fresh air and seasonal activities together.

Residents have also been busy planting sunflower seeds as part of our exciting "Tallest Sunflower Competition." There has already been lots of enthusiasm, friendly competition, and conversation as everyone looks forward to watching their sunflowers grow over the coming weeks.

Gardening activities provide a great opportunity for residents to stay active, enjoy nature, and spend meaningful time together, helping to create many happy moments and smiles.

A wonderful visit to Duxford Museum

We enjoyed a fantastic day out to Imperial War Museum Duxford following requests and discussions during our residents' meeting. The visit was of great interest to many of our residents, with everyone enjoying the opportunity to explore the museum, look at the historic aircraft, and share memories and conversations throughout the day.

There were lots of smiles, laughter, and meaningful moments, and it was wonderful to see residents so engaged and enthusiastic during the outing. Due to the positive response, we are already looking forward to arranging another visit in the future so that all residents who would like the opportunity to attend can enjoy the experience as well.

At our home, we are committed to listening to our residents' wishes and creating meaningful experiences that reflect their interests, hobbies, and life stories.
