The Royal Airforce Museum

We had a fantastic visit to the Royal Air Force Museum in London! Following our January resident meeting, several of our male residents shared a strong interest in visiting the museum, so we were delighted to make it happen. Everyone thoroughly enjoyed the day, with so much to see and explore that it was hard to fit everything in. We can't wait to visit again! All of our activities and outings are resident-led through our resident meetings, as it's incredibly important that residents are supported to visit places that interest them or hold special meaning. We're so pleased to be able to make these experiences possible.

Charity Valentines Event

We had a wonderful time at our Valentine's event this year, which also gave us the opportunity to support a very special local charity, St Clare's Hospice. Guests enjoyed a delicious three-course meal and live entertainment, with all ticket proceeds donated to the hospice. We were incredibly grateful for the support of DC Poulton & Sons, who kindly sponsored the live entertainment for the evening - thank you for your generosity. A fantastic time was had by all, filled with great food, singing, dancing and plenty of smiles. We're so pleased to have been able to support such a meaningful local charity that means so much to so many of us.

You Said.....We Did!

When one of our lovely residents told us how much they used to love ten-pin bowling and how they would like to do it again, we were delighted to make it happen. The outing was great fun and brought back many happy memories, which we loved sharing and reminiscing about - especially stories of weekends spent bowling with family. Moments like this show how important our "You said... we did" approach is, giving residents the opportunity to share their hobbies and interests and tell us what they would like to see in our home. We take great joy in making these wishes a reality.
