

Weald Hall Care Home Monthly Newsletter

Weald Hall Lane, Thornwood, Epping, Essex, CM16 6ND

Our boutique luxury home delivering individual care for our residents

Bunny kisses & Chocolate wishes

On Easter Sunday, we were delighted to welcome RJ and Alya from our Through the Eyes of a Child programme who visited to deliver Easter eggs to all our residents, bringing smiles and joy throughout the day. Since the programme began, it has been wonderful to see the positive impact on both generations. The children's confidence continues to grow with each visit, while residents always look forward to seeing them and often ask after them in between. These intergenerational connections are becoming stronger each time, creating truly special moments that we look forward to continuing in future visits.

Daisy May's Farm

This month, we enjoyed a wonderful day out at Daisy May's Farm. Residents had the chance to get hands-on with farm life, including feeding goats, holding newly hatched chicks, and bottle-feeding lambs, along with meeting many other animals. The visit was especially meaningful for two residents who grew up on farms, bringing back fond memories and sparking lovely stories.

Daisy May's Farm is run by volunteers, with all proceeds supporting the care of the animals, and we were pleased to support such a valued local initiative. It was a fantastic day enjoyed by all, and we look forward to visiting again.

St Georges Day

We had a wonderful time celebrating St George's Day with fantastic live entertainment. The morning was full of singing, dancing, and laughter as residents came together to enjoy the celebrations. The atmosphere was lively and uplifting, with plenty of smiles all around. We also received lovely feedback from residents who said how much they enjoyed the entertainment.

It was a truly memorable celebration, and we look forward to many more joyful occasions together.
