A Royal Day Out for Our Lovely Jayne

Our lovely Jayne recently enjoyed a very special trip to the Tower of London!
A huge Royal Family enthusiast, Jayne often shares fond memories of attending Queen Elizabeth II's Coronation at just 16 years old!
Having previously visited the Tower to see the poppies, Jayne had always dreamed of seeing the Crown Jewels, so we decided to make her wish come true!
Jayne loved every moment, describing the experience as "remarkable". A truly magical day filled with smiles, treasured memories and a little royal sparkle!

Mary's Dream Takes Flight!

Our dear Mary recently enjoyed an unforgettable flight from neighbouring North Weald Airfield!

Having spent many happy hours watching the planes from our garden, Mary's wish to experience a flight came true thanks to the kindness of one of our wonderful family members, Ian.

A particularly special moment was flying over Roydon, where Mary and her family grew up.

Mary described the experience as "wonderful", saying she "felt like she was in a dream!"

A truly magical memory to treasure!

Thinking Pink for Breast Cancer Awareness!

Weald Hall was filled with pink, smiles, and community spirit as our residents and staff came together for a special Breast Cancer Awareness fundraising day!

It was a wonderful opportunity to raise awareness, show our support for those affected by breast cancer and help raise money for such an important cause.

A heartfelt thank you to everyone who joined in, supported our fundraising and helped make the day so special!
