

Weald Hall Care Home Monthly Newsletter

Weald Hall Lane, Thornwood, Epping, Essex, CM16 6ND

Our boutique luxury home delivering individual care for our residents

Carving out some fun this October!

At Weald Hall, we absolutely love autumn and all the wonderful festivities it brings! There may be a chill in the air, but that doesn't stop us from enjoying our fabulous outings and activities.

We kicked off the spooky season with a trip to Cammas Hall Farm, where we made the most of all the spooktacular fun on offer. Choosing our pumpkins was no easy task - there were so many amazing varieties to pick from!

We rounded off the day perfectly with the biggest, most delicious hot chocolate we've ever seen!

Wild fun for everyone!

On 13th October, our residents had an absolutely wonderful time visiting Heartfordshire Zoo! Everyone was thrilled to arrive and see all the incredible animals. The Sun Bear was a particular favorite, sitting and gazing right at us!

We loved strolling around the zoo and even enjoyed a lovely lunch at the zoo's restaurant. Back home, our residents couldn't stop talking about the amazing day they had - the memories kept them smiling for days! We can't wait for our next visit!

Golfing like a boss!

When we heard that one of our residents loved playing golf and wanted to go again, we knew we had to make it happen!

We spent a brilliant morning at Top Golf in Chigwell. Along the way, our gents joked that they probably wouldn't hit the ball anymore - but that couldn't have been further from the truth! Once there, they were quickly back in the swing of things, and their natural talent shone through. We can't wait to return and give these gentlemen the chance to continue enjoying the hobbies they love!
