

Weald Hall Care Home Monthly Newsletter

Weald Hall Lane, Thornwood, Epping, Essex, CM16 6ND

Our boutique luxury home delivering individual care for our residents

Through the Eyes of a Child at Weald Hall

We had a wonderful time welcoming our Through The Eyes of a Child stars Daisy and Leo to Weald Hall for a fun-filled, beach themed day.

Our home was transformed into a little seaside escape, with plenty of smiles, laughter, and activities. Residents enjoyed reminiscing about seaside holidays and sharing treasured memories, while our young brought lots of energy and excitement to the day.

It was lovely to see different generations coming together and creating special memories.

Yeehaw! Our Wild West Summer Party

We had a rootin' tootin' fantastic time at our Wild West-themed Summer Party.

Our residents, families, friends and staff enjoyed an afternoon filled with laughter, live music, fun and plenty of cowboy spirit. It was wonderful to see everyone getting involved, enjoying the atmosphere and making special memories together.

A huge thank you to everyone who came along and supported us. Your continued support means so much to us and helped make the day such a success.

Growing Together at Weald Hall

Our vegetable patch has had its most successful year yet, and our residents couldn't be prouder of what we have grown.

From planting seeds to watching our vegetables flourish, residents have enjoyed being involved throughout the season. It has been wonderful to see their hard work and care rewarded with such a fantastic harvest.

Our vegetable patch has brought plenty of enjoyment, fresh air and a real sense of achievement. Well done to all our green-fingered residents, you've certainly grown something special this year
